

Sangini Introduces the Most Complete Set of Wedding Jewellery

You can add the VOW factor to every part of the traditional celebration

Mumbai, May 8: Sangini diamond jewellery, the only brand in India to offer complete solutions for every celebration that forms part of the Great Indian Wedding, has created some spectacular new ranges for the current wedding season. The brand, which signifies the unique bond of companionship and togetherness shared by a couple, and the significant role they play in each other's lives, has something special for each phase of the ritual.

Each design is stunning and spectacular, with a VOW factor that is designed to convey something special and also make you the cynosure of all eyes. The jewellery symbolises the magical leap that a romantic relationship takes when you commit to each other for a lifetime, and also is a beautiful accompaniment to the many ceremonies and rituals you will participate in as you formalise the bond you share.

Sangini offers dazzling solitaire **Engagement rings** that mark the first stage in the journey; some exquisite **Ring bands** as glorious symbols of the Bride's exquisite glowing beauty; gorgeous **Mangalsutra sets** that tell the world you have solemnised your relationship and elegant **Couple Bands** that mark the milestones on your journey together; with the starting price being Rs. 16,500.

Sangini Diamond Jewellery is available at popular lifestyle retail stores such as Shoppers Stop, as well as through Exclusive stores.
